

## Spring 2026 Escondido Youth Baseball– Team Sponsor Request

Dear Sponsor,

Thank you for taking the time to consider sponsoring our youth baseball team. Escondido's Pony Baseball League comprises boys and girls aged 4-14 from Escondido and surrounding cities. Escondido Youth Baseball is a nonprofit corporation dedicated to providing the highest quality youth sports program while representing our community.

Player families and local businesses generally fund our program. We are actively seeking sponsors to play a role in our league's success. Your tax-deductible donation will help with our rotating costs throughout the season, help with the cost of maintenance of our fields, much-needed upgrades to our aging facilities, and help offset the costs of playing baseball for any families in our community who are in need. The community's support is vital in assisting our team to be successful and making it possible for every player to play. With almost 500 players in the league, your sponsorship will be widely showcased and recognized.

We have different levels of sponsorship for you to choose from. We appreciate anything you are willing to contribute.
